Personal Information	<i>Date of birth:</i> May 15, 1986 <i>Place of birth:</i> Carazinho - RS, Brazil <i>Nationality:</i> Brazilian
Education	<b>Federal University of Pernambuco, Brazil</b> <i>Informatics Center</i> Ph.D. Computer Science <b>February 2019</b> <ul style="list-style-type: none"><li>• Thesis Topic: “Understanding Confusion in Code Reviews”</li><li>• Advisor: Fernando Castor</li><li>• Co-Advisor: Alexander Serebrenik</li><li>• Areas: code reviews, confusion, machine learning, surveys, card sorting, exploratory software engineering.</li></ul> <b>Federal University of Pernambuco, Brazil</b> <i>Informatics Center</i> MSc Computer Science <b>August 2013</b> <ul style="list-style-type: none"><li>• Dissertation Topic: “An Exploratory Study on Exception Handling Bugs”</li><li>• Advisor: Fernando Castor</li><li>• Areas: Exception handling, bugs, survey, and software repository mining.</li></ul> <b>Federal University of Pernambuco, Brazil</b> <i>Informatics Center</i> BSc Computer Science <b>September 2009</b> <ul style="list-style-type: none"><li>• Dissertation Topic: “<i>Promodeller: Ferramenta de Modelagem de Processo de Software a partir de arquivos no padrão BPMN utilizando Ontologia de Processo</i>” (Promodeller: Software Process Modeling Tool from BPMN files using Process Ontology)</li><li>• Advisor: Alexandre Marcos Lins de Vasconcelos</li><li>• Degree: 8.48/10</li><li>• Areas: Business Process Modeling Notation (BPMN), Software Process Engineering Metamodel (SPEM), Software process ontology.</li></ul>

Teaching  
Experience

**Department of Mathematics and Computer Science, Eindhoven University of Technology**

Course: Programming (BSc) - 2IP90

**2020 - 2021 Q1**

*Teaching Assistant*

*Duties:* Preparation and conduction of on-campus instructions for the Java Programming course for first year students. I worked with two different groups of students (one with 23 students and another with 13 students). The content of the instructions was a small review of the lecture content and working on collaboration exercises with the students, also helping them on the exercises.

*Expertise gained:* Ability to teach on-campus setting, while keeping the 1.5m distance rule. Additionally, I tried to apply learning theories: such as preparing Learning Outcomes and following the Principles of Instruction, even for every single instruction.

**Department of Mathematics and Computer Science, Eindhoven University of Technology**

Course: Software/Web Engineering Projects course (BSc) - 2IPEO

**2019 - 2020 Q4**

*Teaching Assistant*

*Duties:* Supervision of a software project group, review and grading of the software documents produced by the students. All supervision was on the online setting.

*Expertise gained:* Ability to teach and supervise students' projects about software development process on the online setting.

**Department of Mathematics and Computer Science, Eindhoven University of Technology**

Course: Software Evolution (MSc) - 2IMP25

**2019 - 2020 Q4**

*Guest Lecture*

*Duties:* guest lecture about understanding confusion in code reviews.

Professional  
Experience

**IBM – Recife, Brazil**

*Java Developer*

**July 2009 – September 2011**

*Duties:* Development of WEB systems for the control of the websites of IBM customers. Technologies used: Java, Struts, Servlets, Java Server Pages (JSP), Java Server Faces (JSF).

**E.life Company – Recife, Brazil**

*Java Developer*

**August 2008 – July 2009**

*Duties:* Development of client-server systems based on WEB with data base. Technologies used: JAVA, CXF, and MySQL.

Invited  
Presentations

- **Understanding Confusion in Code Reviews**, invited by Miguel Botto Tobar as a keynote for the International Conference on Technology Trends, Universidad Técnica de Babahoyo – Ecuador, August 2019.
- **Confusion Detection in Code Reviews**, invited by Jens Krinke for the CREST Open Workshop (COW), University College London – UK, November 2017.
- **Confusion Detection in Code Reviews**, invited for the BENEVOL 2017 (BELgian-NETHERlands software eVOLution symposium), University of Antwerp – Belgium, April 2017.

Reviewer of  
Journals

- Transactions on Software Engineering (TSE)
- Empirical Software Engineering (EMSE)
- Science of Computer Programming (Original Software Publications)

Program  
Committee  
Member

- International Conference on Software Maintenance and Evolution (**ICSME 2020**) - Doctoral Symposium track
- Joint European Software Engineering Conference and Symposium on the Foundations of Software Engineering (**ESEC/FSE 2020**) - Student Research Competition track
- Seminar Series on Advanced Techniques & Tools for Software Evolution (**SATToSE 2020**)
